

OLD FRIEND

old friend
companion
love
light

in this open channel
the world is born

as are we
rewired
changed by together

in surprise
off the grid
near the creek
tucked away

in long journey

readied
living a promise
planted long ago
now grown
ripe

now seeing what wasn't to be seen
feeling what wasn't ready to be felt

in shared energy
choice
healing into now
naming with each other
holding
clearing
transitioning
completing

with heart open
we said we would
in the resonance
of the world we chose
a world now revealed

here

READY FOR THE NEXT
